

Employment Opportunity
City of Avalon
Harbor Master
Salary \$12,957 – 15,750/mo. DOQ

The City of Avalon is located on the easterly portion of Santa Catalina Island. 22 miles south/southwest of the Los Angeles Harbor breakwater. Avalon is a little over 2 2/3 square miles in size. The island itself is 76 square miles in area, 85% of which is in a conservancy area to be maintained in its natural state in perpetuity. The picturesque and leisurely seaport village of Avalon has a permanent population of around 3,500, with an annual visitor count of close to one million. Catalina Island is part of Los Angeles County. The island's primary industry is tourism.

The Harbor Department is responsible for assigning moorings, providing security and enforcement of state and local laws, maintaining a fleet of boats, floats and structures on the waterfront, administering waterside business permits and scheduling dock times for commercial passenger vessels.

Education and Experience: Any combination of training and experience that would provide the required knowledge, skill, and abilities is qualifying. A typical way to obtain the required qualifications would be: Graduation from an accredited four-year college or university with major coursework in business administration, public administration, or seven (7) years of progressive management and/or administrative experience in harbor or maritime operations including at least five (5) years of supervisory experience at a mid-management level. Public safety program management experience is desirable.
